

2016 ORWC Septic Installer's Training Day - April 29, 2016

The 2016 ORWC Septic Installer's Training Day and Exhibition. This Training Day is an opportunity for members of the on-site industry to meet and learn from each other. Leading designers, engineers and researchers will discuss current issues ranging from small residential to large communal systems, new disposal bed technologies and the Ontario Building Code. This event is not to be missed if you work in the onsite wastewater industry.
